

# Collaborative Streetworks Project Registration

## Date of Submission

Jul 2025

## Project Reference Number

260010973

## Project Name

Old Brompton Road

## Project Summary

### Scheme Background

The project involved a collaboration between UK Power Networks (UKPN) and Thames Water working together in the Royal Borough of Kensington and Chelsea, reducing disruption by 19 days.

UKPN's work formed part of a larger 1km project to connect 11kV permanent electricity supplies.

### Communication with Local Stakeholders

UKPN met with Thames Water, Kensington and Chelsea Council, and Hammersmith & Fulham Council to coordinate works around Thames Water's road closures and to share traffic management and communication plans, saving 58 days of disruption.

UKPN delivered letters to residents, while Thames Water displayed collaboration signs to inform the public about the works.

Additional consideration was given to maintaining access to the train station during the project.

## Project Network

UK Power Networks

## Collaboration Partner(s)

Local Authority, Power On, Thames Water, UKPN, Virgin Media

## Local Authority

Kensington and Chelsea (Local Authority also a Collaboration Partner)

## Project Start Date

Jul 2024

## Project End Date

Aug 2024

## Length Of Collaboration

0-100

## Level Of Collaboration

Level 2

## Estimated Days Saved

## Project Status

19
