Project Name

Green Lane

Project Summary

Cadent set out to replace 242M of 6" cast iron main and insert 125mm pe and relay or transfer services. London borough of Hounslow had their resurfacing team working on the footway. The collaboration saved 45 days of disruption to road users and residents.

- Strategic location for the London borough of Hounslow as the works were opposite CB Hounslow sports club (Football Ground)
- Green lane footway link to Arundel Road which houses Beavers community primary school.
- Green lane branches out into A312 and Great South-West Road (A30).
- Cadent excavated, and Hounslow did the reinstatement on the green lane.
